PETITION FOR A
CERTIFICATE OF
CONVENIENCE AND
NECESSITY TO PROVIDE
INTRASTATE
TELECOMMUNICATIONS
SERVICES.

(DOCKET NO.
T-20667A-09-0179)

On April 14, 2009, AGL Networks, LLC ("AGL" or "Company") filed with the Arizona Corporation Commission ("Commission") an application for a Certificate of Convenience and Necessity ("CC&N") to provide intrastate telecommunications services in Arizona and requesting that its proposed services be classified as competitive. The Commission's Utilities Division ("Staff") has recommended approval of AGL's application, subject to certain conditions. The Commission will issue a Decision following consideration of testimony and evidence presented at an evidentiary hearing. The Commission is not bound by the proposals made by AGL. Staff or any intervenors. AGL will be required to provide service under the rates, charges, terms, and conditions established by the Commission. Copies of the application, report of Staff, and any written exceptions to the report of Staff filed by AGL will be available at AGL's offices at 100 West Washington, Suite 3030, Phoenix, Arizona 85007 and on the Internet via the Commission website (www.azcc.gov) using the docket function.

The Commission will hold a hearing on this matter beginning December 17, 2009, at 10:00 a.m., at the Commission's offices, 100 West Washington, Room 100, Phoenix, Arizona. Public comments will be taken on the first day of the hearing. Written public comments may be submitted via email to publiccomment@azcc.gov or by mail to the Commission, Consumer Services Section, 100 West Washington, Phoenix, AZ 85007.

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you would like to intervene, you must file an original and 13 copies of a written motion to intervene with the Commission, and you must send copies of the motion to the Company or its counsel and to all parties of record in the case. Your motion to intervene must contain the following:

1. The name, address and telephone number of the proposed intervenor, and of any person upon whom service of documents is to be made if different from the intervenor.

2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, etc.).

3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-106, except that all motions to intervene must be filed on or before December 4, 2009.

The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment or from filing written comments in the docket for the case. For information about requesting intervention, visit the Commission's webpage at <http://www.azcc.gov/divisions/utilities/forms/interv.pdf> or contact the Commission's Consumer Services Section at 1-800-222-7000. If representation by counsel is required by Rule 31 of the Rules of the Arizona Supreme Court, intervention will be conditioned upon the intervenor obtaining counsel to represent the intervenor.

The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with a disability may request a reasonable accommodation such as a sign language interpreter, as well as request this document in an alternative format, by contacting the ADA Coordinator, Shaylin Bernal at SBernal@azcc.gov, voice phone number 602-542-3931. Requests should be made as early as possible to allow time to arrange the accommodation.
